Stephan

### Communications Subcommittee

Paul

- Update
  - Communication Plan including: Key Messages and Tactics
- Share
  - Review Site
  - recommendations of changes to FAAC website (this will depend on whether subcommittee members think we should submit changes now or wait to get feedback on changes to this site)
  - recommended site-maps for Insite and Corporate Sites
- Small Group Feedback
- Questions

### Artists in Schools (internally/externally)

Stephan

### Working Group Part 1 – Facilitated Groups of 5 or 6 (30 minutes)

#### What can we learn from the people in this room to inform this work?

- Who are the artists in our schools?
- What work are they undertaking?
- What role should an artist roster play as part of a strategy for artists in schools?

### Large Group - Report Back (2 minutes or less)

### Working Group Part 2

- How do they work with schools, teachers and students?
- How does this work impact teaching and learning?
- How does working with art, artists and art making increase teacher capacity?
- How do we support artists in knowing pedagogy and being involved in task design?

### Report Back (2 minutes or less)

## FAAC Subcommittees

- Artists in Schools
  - Communications
  - Infrastructure & Support
    - How do we add value to elementary music programs?
    - FPA Safety and Equipment audit. Starting with High Schools. If anyone has contacts or knows of someone who might be able to do this work effectively in our schools we would be interested in getting some names.
  - Research Subcommittee
  - HR Subcommittee (when needed)
  - Short Term Subcommittee:
    - General Standards of Musical Instrumentation
- Next Meeting:        March 4th, 2016  
                                 Education Centre, Room T332
